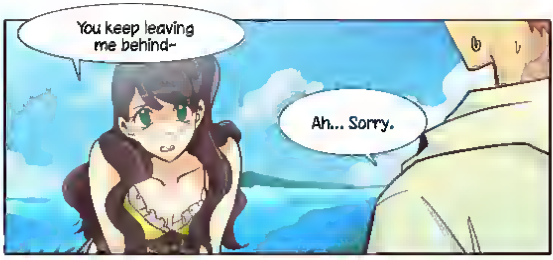
Dear, Only You Don't Know!

season 2

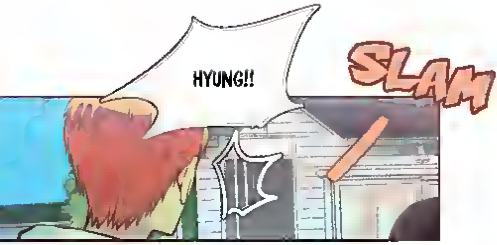
What? Really? You?
Why are you so surprised?
That's because...
You've never done that until now...
Suho-ssi~~!!



You keep leaving me behind~
Ah... Sorry.

Now, now. I'm busy so stop hanging around
PUSH!

and go play with Seln-ssi.

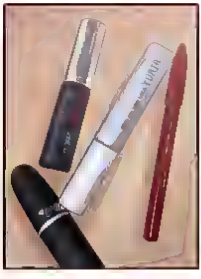


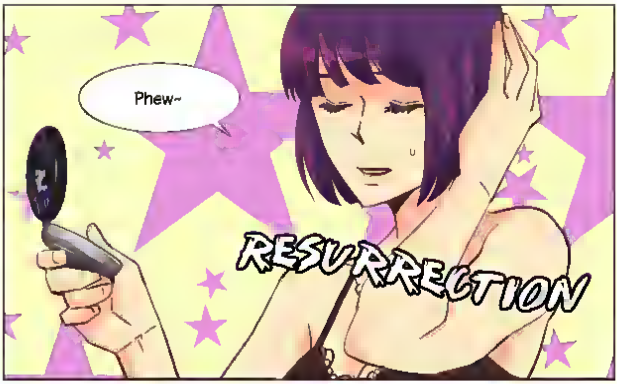
HYUNG!!
SLAM

Eh??? Wasn't that DaeGuk-ssi just now?
What's he doing in the girls dorm???
Sein, do you know who that lady in the black dress was?
Black dress?
Hm~
Mrs. President?
No No! It definitely wasn't President Cho!
Main model for black dresses

She had short hair with a red hairband-like thingy...

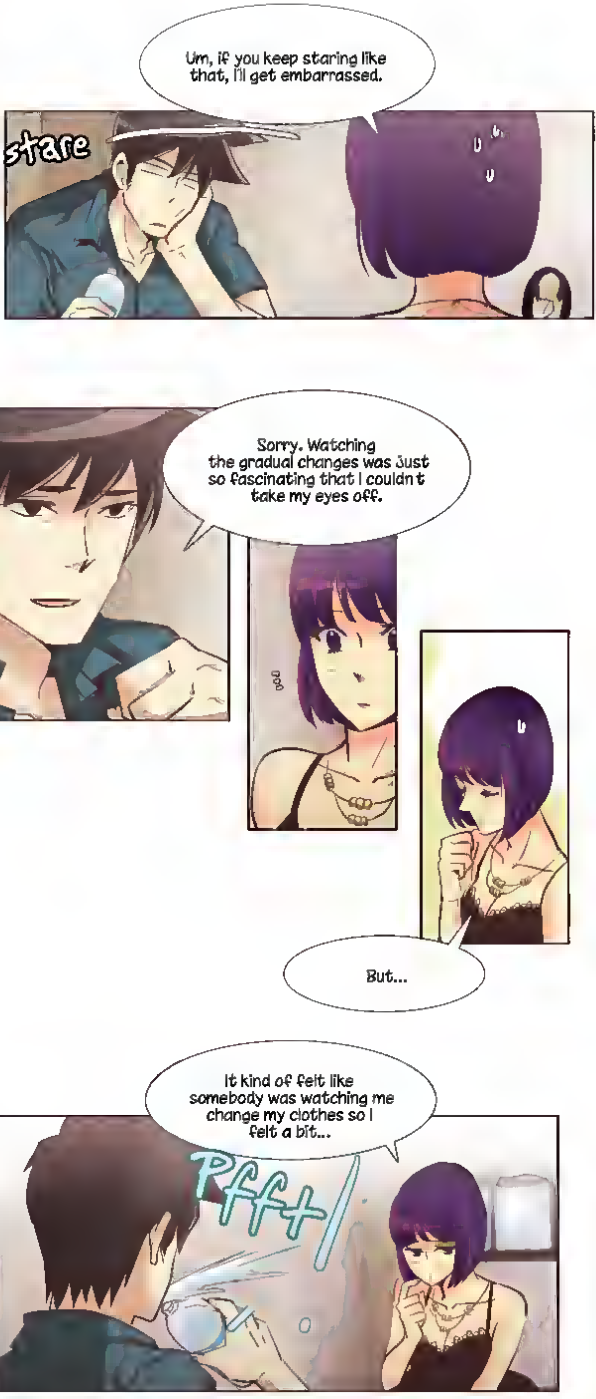
??????





Phew~
RESURRECTION

DING-



Um, if you keep staring like that, I'll get embarrassed.
stare
Sorry. Watching the gradual changes was just so fascinating that I couldn't take my eyes off.
But...
It kind of felt like somebody was watching me change my clothes so I felt a bit...
Pfft!

blush
I-I didn't think about it that way.
Since you say that's how you felt, well ..

Sorry...

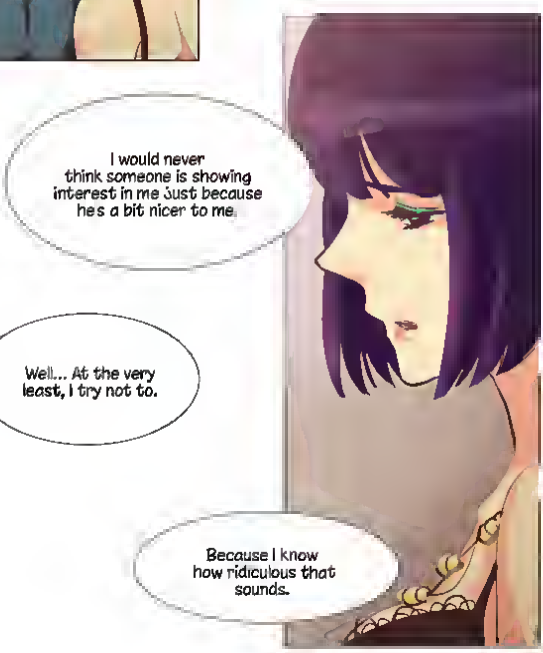
Anyhow,

I hope you don't misunderstand what I told SuHo about me wooing you or something.

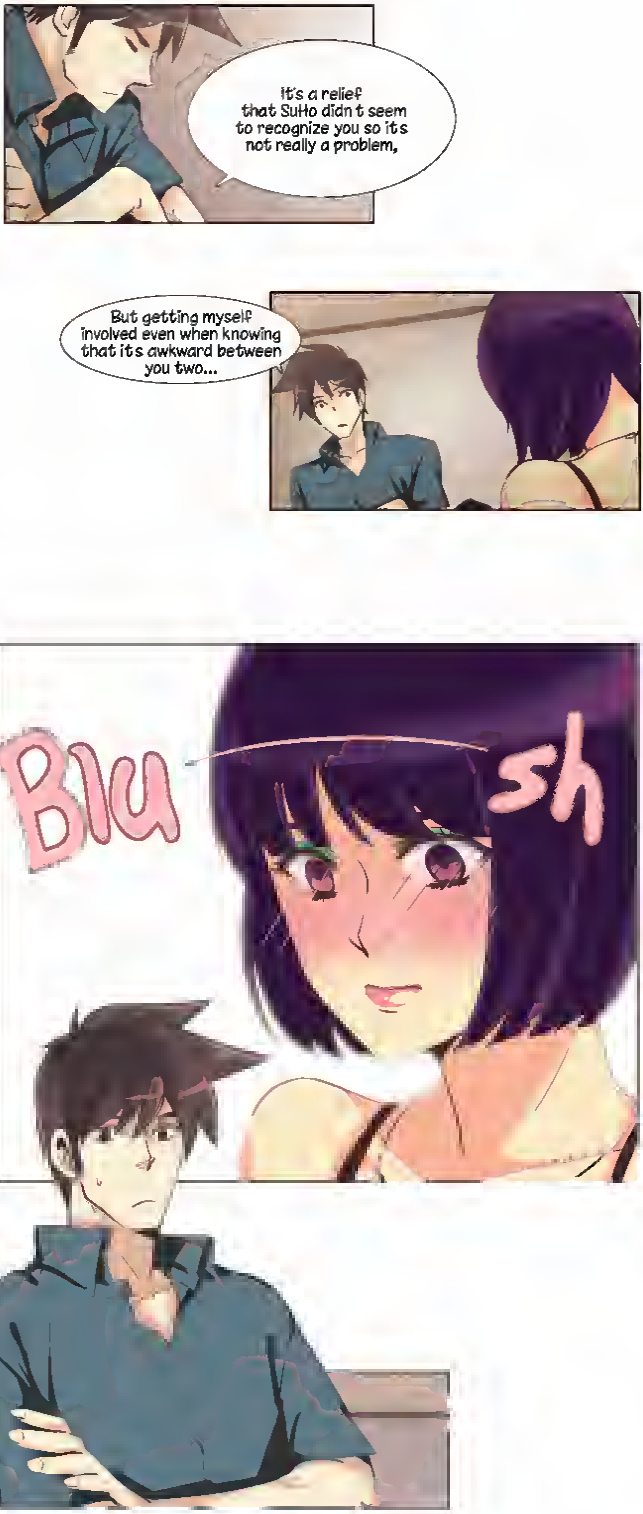
Nothing of that sort. I know you said it to help me out.
As if I'd take it seriously in that situation.

And ugly people know their place very well.



I would never think someone is showing interest in me just because he's a bit nicer to me.
Well... At the very least, I try not to.
Because I know how ridiculous that sounds.

But of caurse, Im not immune to kindness,
so I can't say that I don't fall for men that are nice to me.
But enJoying that kindness
and thinking, "He's kind to me, he must be interested in me!" are two completely different things.
Excuse me. NaYoung-ssi???
You keep saying things that are hard to understand today.
I was talking about how SuHo might misunderstand.
Because you like him.



It's a relief that SuHo didn't seem to recognize you so it's not really a problem,
But getting myself involved even when knowing that it's awkward between you two...
BIU

NaYoung-ssi?
S...Sorry!
It's Just...
I thought you would feel bad thinking I misunderstood your kindness without knowing my place!!
But then that ended up becoming the misunderstonding, so...

That was funny. You have a really cute side.

You didn't have to be that serious.

This happened quite a long time ago...

When I was still in college, I attended an offline meeting for an internet association I was involved in.

Back then, I didn't even know how to put on make-up.

so I tried really hard to brighten up my dreary face

by joking around,

actively talking to other people

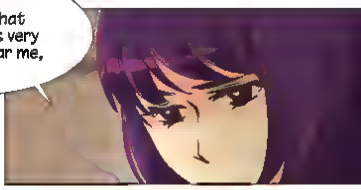
and getting friendly all around.

Would you like another glass, too?

Among them, I had an oppa that I was close enough to call hyung...

He pulled me aside when we were heading to our next hangout spot.. and he said...
Oi!
You. It's troublesome.
Don't get feelings for me.
And don't get overly friendly with me calling me hyung..
It feels like crap.
What's up with that bastard?
I don't know.
It makes me embarrassed just thinking about it that I kick my blankets at night.
I hope he gets strung along by a girl until he's deluded to a point where he ruins himself!

Anyway, that incident was very traumatic far me,



so afterwards, I always tried to sit next to other girls ar take the seat in the corner at every gathering I went to, unless under special circumstances.

Isn t it stuffy in the corner seat?

It s alright.

And I was always very careful whenever I directed a camment ar questian at a man.

This person laaks like he s in his twenties but he talks like he s in his thirties...

Is it akay to ask him his age?

It s nothing big, but I was passing by and it s a leftaver. It s hard to get rid af...

And when I offered any kind gesture in particular, I always attached a purpose ar reason so that it does not became a misunderstonding.

That is why...

Liking SuHo-ssi...

Liking Guardian was so much fun.

Even if I didn't attach a reason to my kindness...

Even if I was generous with my praises and comments...

Even if I showed my affection freely...

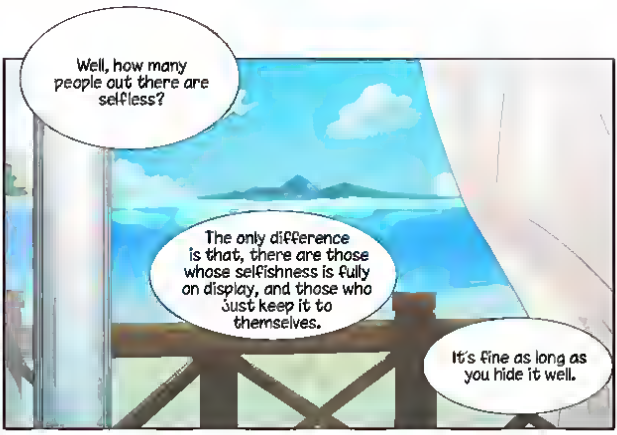
But because I was a fan, that single reason...

made my feelings appear to be something other than romantic love, and that lifted the burden off people's shoulders.

Freely liking someone,

and being able to express those feelings made me so happy.

Maybe it's like pretend-dating?
But you speak in the past tense.
Of course, I still really reeeaally like him!!
But...
Now that my selfishness is involved, it feels so complicated.



Well, how many people out there are selfless?
The only difference is that, there are those whose selfishness is fully on display, and those who just keep it to themselves.
It's fine as long as you hide it well.

Then slowly you'll start to accept reality,
and your foolish thoughts will fade away.

I hope they'd go away soon.

For me as well.
